Survey Name: Public Data Request - Second Survey

Survey Description: A second survey has been organized for the data request that posted earlier this month for Bruce Moats. Brenda Arnold worked with Mr. Moats to help further define the data request. Mr. Moats is requesting the information for his client, Sage Information. The data requested would come from four DataMart, including ACCOUNT, VALUEDetail, IMPROVEMENTS AND OWNER. Additionally, one of the queries pulls legal information from the TBLLEGAL table. The data is being filtered to use only active record and include only R and M accounts only. Brenda also indicated that structures with condo's sq footage and built as "Permit Code" are also excluded. This survey is scheduled to close on Thursday, July 28, 2011.
