WYDOR014 Add Batch Processes to Oil and Gas	JoyIn.Stotts	Dave Chapman	Here is an answer on the BEL table issue.	11/22/2005 3:48 PM
WYDOR014 Add Batch Processes to Oil and Gas	Dave Chapman	Stacey Lustig	David, the reason that I included the BEL tables was so that batch would work for all of our other customers also. We did not add hours to WY for this so it did not effect your cost for this.	11/18/2005 12:56 PM
WYDOR014 Add Batch Processes to Oil and Gas	Stacey Lustig	Dave Chapman	Question: Item 4 says "tblAcctOGEquip using BEL tables". Is this change for Wyoming? Wyoming presently does not use a "Basic Equipment List."	11/18/2005 10:56 AM
