

Work Order Quote

To: State of Wyoming
Today's Date: Sept 26, 2004
WO #: **WYOA052**
Contract Reference #: From Meetings
Budget: Customization
Scope: Limit Public Access to Sales Information
Estimate of Hours: 80 hours

Specifications:

1. Add a global option or user settings to the system that will allow the county to determine how much sales information they would like to show on the Public Viewing screen. Wyoming will show sales data but does not want to include any sales prices or the doc fee. Regular RealWare Acct Summary screen already allows for changing these options.
2. Add a global labeling option for the label on Recptno on the sales history screen both public and the working screen.
3. Add a global labeling option for the label on TD1000 on the sales history screen both public and the working screen.
