

Issue History

| Title | Assigned To | Modified By | Comment | Modified |
|--|----------------|----------------|---|--------------------|
| Limit Public Access to Sales information | Stacey Lustig | Stacey Lustig | Scheduled for 04.08.00 release | 7/1/2005 10:19 AM |
| Limit Public Access to Sales information | Stacey Lustig | Dave Chapman | This is being signed, trusting in Stacey. -dc | 11/12/2004 3:28 PM |
| Limit Public Access to Sales information | Dave Chapman | Stacey Lustig | David, this needs to be a global setting. Other jurisdictions have different definitions of non-disclosure. | 10/1/2004 2:42 PM |
| Limit Public Access to Sales information | Stacey Lustig | Kevin OConnell | | 10/1/2004 12:11 PM |
| Limit Public Access to Sales information | Kevin OConnell | Dave Chapman | Why are these being changed in a global setting the Assessor can manipulate? Is this specifically for Wyoming or is this to allow your other users access to this functionality? If it is for Wyoming, simply changing the label/field name makes more sense. | 10/1/2004 11:07 AM |
| Limit Public Access to Sales information | Dave Chapman | Kevin OConnell | David - No we do not want you to approved in concept. My error for not attaching the workorder. It is now attached for your review. | 10/1/2004 10:18 AM |
| Limit Public Access to Sales information | Kevin OConnell | Dave Chapman | This sounds good, but there is no work order attached. Am I supposed to be signing off just in concept? -dc | 10/1/2004 9:53 AM |
| Limit Public Access to Sales information | Dave Chapman | Kevin OConnell | | 10/1/2004 8:11 AM |
