

Work Order Quote

To: State of Wyoming
Today's Date: Nov 10, 2004
WO #: **WYOA055**
Contract Reference #: From Meetings
Budget: Customization
Scope: Add the ability for the user to store a "local number" with the account.
Estimate of Hours: 75 hours

Specifications:

The field local number will be added to the system so that real property, personal property, and oil and gas accounts can have a local number. The data type will be varchar2 (30). This will be similar to an account number but could potentially be non-unique in the system. The user will be able to add, edit and delete local numbers for the account summary screens in Real property, Personal Property and Oil and Gas. The user will be able to search by local number from the main search screens in Real Property, Personal Property and Oil and Gas.
