System Changes

The batch reporting area in Personal Property will be enhanced so that the user can print Personal Property exemption applications. The user will be able to indicate how many of each application he wants to print. The user will be able to indicate for what tax year they wish to print the application. Applications will not contain any account information and will only contain areas for data entry.

The following exemption applications will be added to the batch area:

1. Fire Control Exemption Application for Personal Property owned.
2. Aircraft Affidavit Requesting Exemption of Personal Property tax
3. Pollution Control Exemption Application for Personal Property Owned.
4. Pollution Control Exemption Application – Capital Structure Information for Personal Property Owned.
5. Pollution Control Exemption Application – Income/Expense Statement Personal Property Owned.
