

Work Order Quote

To: State of Wyoming
Today's Date: August 24, 2004
WO #: **WYOE029**
Contract Reference #: Attachment E
Budget: Customization
Scope: **Allow for obsolescence in Personal Property and Oil and Gas**
Estimate of Hours: 90 hours

Specifications: **System Changes**

1. Allow for economic, functional, and other obsolescence per detail line in both Personal Property and Oil and Gas modules. These fields will be added to tblAcctPPDetail. Data type will be number (15,4).
2. The user will be able to enter these factors on each property detail line. The user interface will always assume that the adjustments are negative and they are percentages. These fields will only be visible from these screens.
3. In the calculation the item will be depreciated using the life and other factors and then the obsolescence will be applied.
