Today's Date: August 24, 2004
***WO #:** WYOE039
Contract Reference #: Attachment E
Budget: Customization
Scope: **Allow user to associate a Personal Property or Oil and Gas Account Number to a Real Account Number**
Estimate of Hours: 40 hours
Specifications:

System Changes

1. Add a field on the Real Property screen so user can enter an associated Personal Property or Oil and Gas account. It should work like the "Real Acct #" field on the "Personal Property" screen. There can only be one account number entered into this field. If there are more than one PP or OG or both an OG and a PP account, the Group Accounts screen must be used.
2. The user interface will be altered so that the user can access Group Account screen from both Personal Property and Oil and Gas in the event that more than one account needs to be associated.
