1. Would you like to see the formation of a summer training event primarily designed for the use of CAMA:

Yes
 23 (100%)

No
 0 (0%)

Not Important
 0 (0%)

Total: 23

2. What month would be the best time to hold this event?

May
 0 (0%)

June
 3 (13%)

July
 1 (4%)

August
 14 (61%)

September
 5 (22%)

Total: 23

3. How many days should be dedicated for this training event?

One Day
 0 (0%)

Two Days
 0 (0%)

Three Days
 13 (57%)

Four Days
 9 (39%)

All Week
 1 (4%)

Total: 23

4. Who should be invited to teach at this event?

DOR Staff

0 (0%)

CCI

0 (0%)

Other Outside Groups

1 (4%)

County Assessors

1 (4%)

All of the above

21 (91%)

Total: 23

5. Please list any other suggestions you might have regarding instructors.

Assessor's Staff

1 (8%)

If the focus is to be on CAMA, the instructors need to be teaching CAMA as it is used in RealWare.

1 (8%)

I would like it to focus on CAMA in RW

1 (8%)

Teach Cama in the RealWare system.

1 (8%)

Instructors should be well versed in the use of Real Ware

1 (8%)

They need to be well versed on the RealWare system.

1 (8%)

Instructors with hands on experience.

1 (8%)

We have a lot of knowledgeable individuals around the state, with a lot of expertise on a variety of topics

1 (8%)

Don't know about Assessor's or other outside groups but definately DOR/CCI

1 (8%)

pick people to do segments that have much experience in that area. different perspectives from all areas will round out the training.

1 (8%)

Instructors need to be Real Ware proficient.

1 (8%)

I would like to see whoever does the training to be very knowledgeable with how to enter everything in Realware and how each field affects the full outcome.

1 (8%)

Total: 12

6. Would the Assessors require that this event be accredited for continuing

education?

Yes

23 (100%)

No

0 (0%)

Total: 23**7. What type of class format would you prefer?**

One classroom with multiple subjects during the week

11 (48%)

Breakout Sessions with one centralized meeting during the week

12 (52%)

Total: 23**8. Please note any other suggestions you might have regarding this event!**

Central location such as Casper

1 (11%)

Different experience levels may be appropriate so newer staff can attend without getting lost yet senior staff members will get some benefit as well.

1 (11%)

Cheyenne would be a logical location since classrooms with computers would be available and CCI instructors would not have to travel far

1 (11%)

I think we need to have it set up as 1 day workshops so we can send staff to the class that pertains to their job. I think all of the classes need to be taught as actually used in RealWare.

1 (11%)

The user group had the following suggestion during our meeting at WACO:

1 day for end user training

Apex / Blue print training (from apex rep)

Advance Access

CCI reps to provide information on scheduled changes

Develop and discuss yearly processes, table maint etc.

Time at the end for round table open discussions

1 (11%)

Maybe each module could be broke out in different classrooms, with different sessions during the day. ie PP, OG, real property, SA. each session should include both reports and input knowledge.

1 (11%)

The hard part about breakout is you might want 2 or 3 of the ones going on at the same time.

1 (11%)

Breakout sessions would be good also if we have a certain employee that just needs the one class, but I would like to have my staff well informed on ALL of the courses. Casper is closer for us to travel.

1 (11%)

Better get it scheduled pronto, we have no education scheduled after February. Darn hard to plan in our offices this way.

1 (11%)

Total: 9
