Survey Name: API Number in RealWare

Survey Description: The question has come up that there are some wells in the O&G module have duplicate API numbers associated with them. The API Number by design is unique to that well site. CCI and the DOR are considering changing this to a unique field. However, we want to evaluate the impact of this type of change. This survey will close by Monday, September 8, 2008.

Time Created: 8/25/2008 9:19 AM

Number of Responses: 17

1. Does your county currently use the API Number field?

Yes

16 (94%)

No

1 (6%)

Total: 17

2. Does your county use the API Number field for anything other than the official API number?

Yes

0 (0%)

No

17 (100%)

Total: 17

3. If you answered yes to the prior question, please briefly describe what the field is used for.

Total: 0

4. Have you entered any API Number more than one time?

Yes

0 (0%)

No

17 (100%)

Total: 17

5. If this field is converted so that only unique API Numbers can be entered, would this cause any issues in your county?

Yes

2 (12%)

No

15 (88%)

Total: 17

6. If your answer was yes to the previous question, please describe why.

We have unintentionally entered duplicate API's. Please allow us time to finish cleaning up our database. We will have our database corrected by Sept 15.

1 (50%)

Will there be a report generated to identify any duplicate numbers found? If so , would

appreciate time to complete any data cleanup.

1 (50%)

Total: 2
