Survey Name: U.S. Forest Service Data Request

Survey Description: The wildland fire support group, managed by the U.S. Forest Service has requested a parcel and valuation update be provided to support the Rapid Assessment of Values At Risk (RAVAR) fire modeling and first responder system. This request came from the Forest Service through it's integration contractor, Premier Data Services, Denver Colorado. This data will reside at the U.S. Forest Service and is not for public use or distribution. If you require additional information, please contact Bob Johnson with Premier Data Services at (303) 908-6003. This survey will close by Tuesday, September 16, 2008.

1.Maybe for land and buildings within or adjacent to the U. S. Forest. They do not need the whole county. 2. Is this to be used in conjunction with the ongoing Forest Service Lease reappraisals? 3. When they receive this info is it subject to the 'Freedom of Information Act'?

1 (25%)

My taxpayers do not want their addresses easily accessible. If it is for the purpose of forest fires only, then OK.
